New Illustrated Standard

As you probably already noticed we have created a 2nd edition of the Illustrated Standard. Compared to the previous one this new edition has plenty of carefully selected images and photo-material visually explaining the written Irish Wolfhound Standard.

Many breeders and judges are interested in this version.

If you are interested too, the prices are shown at the left. The cover page is shown below.

*I will give thee a dog which I got in Ireland.
 He is huge of limb and for a follower equal to an able man.
 Moreover, he hath a man's wit and will bark at thine enemies but never thy friends.
 He will see by each man's face whether he be ill or well disposed towards thee.*
