# FIWC Conference 2024

We warmly welcome You to the FIWC Conference 2024.

We are preparing a day full of usable, practical, and up-to-date knowledge.

Our initial aim is to present an exciting agenda with a panel of renowned professional speakers.

Planned topics of the conference:

- Opening talk by Dr Tamás Jakkel, FCI President
- Presentation of Mr Jim Behan
- Ageing of dogs: the biological and cognitive effects
- The basics of the canine microbiome
- The microbiome's effect on dog behaviour
- The dental development of dogs

The invitation of speakers and the program are currently under discussion.

The final agenda and registration details will be announced soon.

The FIWC Conference 2024 is organised and managed by Attila Márton.
